Hi Sonja,

It's 6/8 -- thanks for letting me know about that, I put the correct date on my request, there must've been a typo on the actual subpoenas.

Cary-

I received the summons for the [REDACTED] case yesterday and noticed that the date listed on it is June 9, but your email said June 8 – which is it? (Both dates are good for me). Thanks.

Hi Sonja,

We made that official on Friday, I'm sending out the new summonses this afternoon.

Is this date change 'official' yet? It still works for me, but I just wanted to know if I should write it down on my calendar. Thanks.

I'm planning to move [REDACTED] (you had alerted me to the Wareham conflict). Is 6/8 still good for you?
